in itself implies a punishment for past wrongs. Nos. 3 and 4 provide for punishments in regard to offences which have been committed. The validity of the first enactment has already been raised in the case pending against Mr. N.C. Thimma Reddy and I have expressed my views about it in the file relating to it. No.2 may be well applied if the intention is to check recurrence of similar offences. It is not advisable to institute prosecution for sedition under Section 124 A of the Indian Penal Code as it requires sanction of Government and occasions undue publicity to the case. The same purpose can be achieved by means of a prosecution under Rule 38 of the Defence of India Rules. For it has been held by the Federal Court in the case reported in 43 Criminal Law Journal 504 that an offence falling under Section 124 A of the Indian Penal Code is also actionable as a "prejudicial act" under Rule 38 of the Defence of India Rules. This would also obviate the needful sanction by Government, show of importance to the case in the public mind and the conduct of the case by the local officers.

The speech of Mr K. Hanumanthiah, according to the report, appears to be a frothy fulmination, objectionable in tone, parts of which are highly offensive. The desirability of prosecuting him rests, apart from the character and contents of the speech itself, upon the importance to be attached to it and the speaker, besides the place, occasion and its probable effect on the minds of the audience. On these considerations the speech will perhaps fall beneath the clutches of law.

If it is viewed otherwise, the provisions of law under which action may be taken, and relevant for consideration are:

1) The Restriction and Detention Act,
2) The Public Security Act,
3) The Indian Penal Code,
4) The Defence of India Act.

Nos. 1 and 2 are preventive and intended to be applied when the object is essentially to restrain an individual from committing wrongful acts in the future, although that in

A public meeting, arranged by the Congregation of Imam, was held in the Indian Independence Hall, on the evening of [illegible], under the presidentship of Mr. Shanmugam Pathmanaban.

The meeting commenced at 7-45 P.M. with the singing of a devotional song by the Congregation, a children of the Anjuman High School, depicting the scenes of Hell-Fire, of Aqaba 1966.

Mr. Kofi Ghanaba Annobil, District Commissioner, Legon, [illegible] Mr. Shanmugam Pathmanaban. He briefly stated the purpose and [illegible] the programme of the day. Accordingly, Mr. Pathmanaban accepted the Presidential Chair.

Mr. Shanmugam Pathmanaban, as the custom, spoke to the following effect in Tamil:

Gentlemen,

Many of you might know as to why this meeting has been called for. All you know, Mr. K. Sidick, had to preside over this meeting. But due to any misfortune that he could not come due to some inconvenience the responsibility of presiding this meeting rests on my secretary and I hope he will do it. But Mr. Sidick, had come to preside. He could not come due to some inconvenience. So, I have accepted the responsibility of this meeting. I request you to co-operate with me.

The important object of this meeting is to be well acquainted with the activities of the your representatives whom you have sent to the Legislature by your precious support and / what they should do in future. The election of P.N.A. is approaching very soon. Your representatives, Supreme Leaders and others participated in this meeting and gave valuable suggestions. The meeting has been called for to let you know as to what your representatives who took your votes have done and by their opinion as to what they should do. Brothers have arranged according to the constitution of Mr. Nkrumah. He is gone but not gone. He is the leader of a big party which has secured 104 seats in the Representative Assembly, out of 140 seats. For the last three years he is working like that. The first duty was to get to the Legislature and take care of things there. Those who attended the different meetings must have come to know as to what an amount of service is being done to our people by this. Just like this, he has determined to go to the other Districts, explain their grievances and inconveniences and fight in the Representative Assembly, for their interest. For to-day's meeting 98 percent of the representatives apart from the people of this place have come. From this point of view, this is an important step in the progress of

our country. I congratulate the Government on this. Mr. S.V. Lokanathan, in his speech, narrated the experiences and other details of the work carried out by the Congress in the recent sessions.

Mr. K.V. Krishna Rao, spoke next in Kannada to the following effect:

Friends,

We have assembled here under peculiar circumstances. However, this August month is a very auspicious one. It is sacred for us on account of the Independence of the country. This is the month in which Lokamanya Balagangadhar Tilak; who told the country "Freedom is my birthright", died. The first was August the 1st of August. On the 7th of August, Chandrasekhara Azad, died. On the 8th of August, Mahatma Gandhi who was in the Congress Session " Do or die" and the Britishers "Quit India". On the 9th of August, Kasturbaji died all the Congress leaders. We passed cycle tour which had developed the world-wide mind to a great extent. If you take into consideration the happenings of the different world, you will see that every country is struggling in the cut of self-seeking independence and has every country is thinking of providing plenty food, living houses and other amenities for its people and for this are planning various for implementing such things. In our country, after 1942, lakhs of people went to jail during the time of Independence. Lost their lives, lost their property and have written the history of Independence with blood. Such an important August, a month in which such a revolution was started, to have celebrated as usual is not. But in our misfortune, independence is far off to India. There was some hope ray of hope in the darkness, but it has disappeared like lightning. Professor Laski has said that 'an ever vigilant attitude is the true basis of Democracy'. Just pointed, we have to maintain the vigilance. If you assure us that you are always behind us, we will always be prepared to do your service. Like this objects we are participating in the Legislatures. And we have to decide as to how far we can place the grievances of the people before the Ministry and this place it has in the Legislatures and thus continue our struggle in your interests. It is not for our selfish ends that we have come to the Legislatures. As India has gained, constitutionally in the true foundation of Independence. We are going to the Legislatures, just

by progressive people not to be deceived by associating themselves with these "loyal" people who are backing the Government and thus are trying to snatch our rights and liberties from the Government. In our country, people have not much rights. [illegible] The Archbishop of Canterbury asserts that the British Emperor will act according to the declaration of the Atlantic Conference, but if it is for taking him head off, he must be approved. Our Rajas and Maharajas must establish such a responsible form of Government, that wishes and opinions must be reflected in the Legislatures. The opinions of the people must be valued by the Government and representatives of the people should constitute ministries. As you all know, there were only ministers below. But now there are three. They have not understood any sort of progressive work. In England, when bombs were dropped and houses were burnt, they prepared the knowledge that Royal Security Scheme was prepared. In America, they prepared a scheme called the "Lease Lend authority". They relaxed the standard of life and improved the financial conditions of the people by providing facilities to the rich in the form of exemptions while the lights are destroyed by the fire of stomach. They spent crores of dollars. There was only a shadow of war in our country. In other countries the value of a rupee had been reduced to 1/4. But whereas in our country the value of a rupee has been reduced by four times. It is by exemption due to the difference in the form of Government. There is responsible government in other countries and there is autocratic rule here. There is fear of Indian Rulers with India portrayed like the Master's voice. Thousands of Subjects of India Rulers are Under the people in the Representative Assembly. Out of 319 seats, 20 are Muslim League and 189 are Independents. They have given support to the policy of the Congress. As soon as relief to the Kolar Gold Mines. The Gold mines have earned nearly 200 crores of rupees. But every 1/2 rupee, 40 to 50 rupees are declared as Dividends. This act was opposed not only by the Mine owners, but also by the Government, to which 70 crores of people belong.

in addition to us. Then, how it was kept. If there was in a Government responsible to the people, and if such things had happened, it would have become impossible for the Government to run for 24 hours. That was Mr. Churchill's Government toppled down. Another Act was brought for increasing prices. As a result of this legislation, Government is getting 25 lakhs of rupees from the ryots. Not a single pie is being utilised for the benefit of the people. Such a legislation was brought in the last Assembly Session. The Congress party opposed it and the Act was thus got aside. But they brought the same in the Legislative Council and got it passed. Just like that, they brought a legislation for imposing tax on cocoanut oil. They said that the money got from it would be utilised for finding out ways of giving relief to the producers of cocoanut oil. There are many graduates in our country, who have gone to America and England and returned. In Madras and other districts, there is cocoanut cultivation. The Government is not justified in imposing a tax on cocoanut oil. Mysore Government is getting a profit of 10 crores of rupees. It is not right to burden the ryots with more taxes. Like this, so many Acts were opposed. In Railway, there were thefts of iron materials, the price of which has increased. It has come to the notice of the Government that so many Railway servants themselves have taken it and sold it. The peculiarity of this Act is that the man who possesses the article must certify that the article is a stolen one. The Independents supported it. But we opposed it. We are opposing all legislations which are opposed to justice and equity. Many Independents supported us by their votes. We brought resolutions regarding the grievances of the people. Government made a propaganda that they have reduced the Kandaya on lands (புஞ்சை). But they have imposed a tax of 8 rupees per mund of area. In many cases, they have imposed a tax of 50 to 70 rupees. According to the statistics of the Agricultural Syndicate, the ryots will have to give up the production of crops. The ryots will have left nothing after they pay the Kandaya and other expenses in connection with their agriculture. It was insisted that it is impossible for the ryots to pay tax in addition to Kandaya. This was passed in the Assembly. The labourers of Kolar Goldmines demanded for the establishment of an Arbitration Court to enquire and give relief to them. For 14 years they fought for the

Assembly are taken to the Legislative Council, and passed there. It is easier to appoint Ministers who have been in harmony, after the elections are over. But it is now no longer that a question was asked relating to it, they said that it would affect Ministerships. His Highness the Maharaja said that they have nothing to do with it. Such things will not happen in England. Similarly, who was responsible for defeating Congress and Labour, only suggested in the elections, but not his party. The Conservative party has to a majority. Labour Party is in power. Major Attlee is the Prime Minister. In our Legislatures though the Congress is in majority, they have no voice. We are pleading for the establishment of such a form of Government to be existing in India. Some people also of the opinion that the Congressmen have no better business except to stage a walk-out every now and then. We had to stage a walk out like this, since they changed the programme. Unfortunately, so long as there is no elected President in the Representative Assembly, we cannot do anything. In Labour and Congress Problem, had to be taken in proceedings, since this matter was not allowed to be discussed in the Representative Assembly, we had to stage a walk out. We are waiting for such meetings in other Districts also so that we may come to know the grievances of the people and decide the resolutions that are to be brought in the Assembly. We are unable to agree the amendment moved by the Reformed Committee and have no valuable suggestions. This is a step in the advancement of Independence.

The Boy Scouts came out of their schools after having come to know that we had arrived. We did not call them to come out, but they came out of their own accord. They approached me also and we told them/ to return back to their classes. Again and that we have come only on our two days work. We are glad that they attended the classes and have gone to the meetings after the close of their schools. The students must maintain discipline. Without discipline, nothing can be achieved. Khadi could not raise its head in Erode, because they were united. The students must take up constructive work. The leaders should feel glad, if students

instead of coming out of their schools. Like my M.Library colleagues I think you all for having come here and given us this encouragement.

Mr. G.S. Hedgery then spoke in Kannada to the following effect:

Friends and friends,

We are all waiting to hear the speech of Mr. K. Chandrashekar. But, on this happy occasion, I feel like speaking a few words. So is it not if you simply give votes and not the Assembly members. We have not learnt the value of our vote. In order to know the troubles and hardships of the Villagers, one must go to the villages. There is poverty, illiteracy in the Villages. Villagers are all neglected. They have been bitten by mosquitoes. If my friends might the Malnad Kannada, they will understand the bites of a mosquito. If we talk to Ministers them of their troubles and hardships, we cannot afford to sit quiet, after having secured votes from you. Members Sangha had planned our agenda to be prepared for sacrifice. We must be prepared to sacrifice our lives. Some students good sent of their schools did not attended. When we advised them to go back to their schools they thought that it would be a shame to go back to their schools. We persuaded them to attend the classes, consequent on which they went to the schools and attended the classes. The students of Unemployed old Mysore, must go over to these Malnad parts and acquaint themselves with the affairs of these parts. Student congress leaders are going round to Jagat, after the Jeevanbhi result. My appeal to the students of this place is to give your help and support to these leaders. My appeal to the public is this. Mr. Bhajinappa, has programmed to serve Bhadra Bhadravathi Area. He has said that he would go to every nook and corner of Bhadra Bhadravathi. The public must support to him their government and give government their support. My caution to the Government is that there should be not be ill-health and illiteracy. We must urge the Government to give schools to the villages. I appeal to Mr. Ramaswamiah, to urge these things on the Government to pay more attention to supply the facilities and conveniences of the Villagers. There are two more responsible things. One is the death of Chandrappa, student leader. Another one is the Lower attitude. We get tears if we remember the above incidents. If we

[illegible] the already [illegible] on the people [illegible] with the [illegible], we cannot tell ourselves as responsible ones. We may [illegible] the courage to express such acts [illegible] of Government there. We must tell them as [illegible] Vallabhai Patel / [illegible] and [illegible] such people should not be elected under the [illegible] of Independence. [illegible] Nehru, immediately after his release said that if people had not [illegible] the acts of Government during August disturbances, he would have called them as [illegible]. This is [illegible] we ought to be proud of such great leaders and so many [illegible] of them, otherwise, we are not safe. Sabarmati Gandhi did not stand by the [illegible] of Government and boldly [illegible] it. Government then [illegible] their attitude and began to release leaders after [illegible], as also [illegible] or three. Mahatma Gandhi was invited to Simla by special train. I request you not to make a false [illegible] against the Congress. You would not [illegible] your time for nothing and [illegible] Now what I have [illegible] to the Congress organisation.

Sri. K. Kamaraj Nadar, speaks in Tamil, to the following effect:

President,

The President of the day Mr. Bhogaraju Pattabhiseetharamayya and Assembly Congress Party's leader Mr. A.V. Subbiah, have talked [illegible] about me. They have spoken only to encourage me and I pray to God not to make me feel proud that I deserve all these things. My friend Mr. A.V. Kalyana Sundaram, has explained to you in detail the activities of the Congress party in the Assembly. The Congress people in the Assembly have acted according to the wishes of the people. Since 2 years, I am in the Representative Assembly. Since 2 years, opposition party has brought many problems and questions in the interest of the public. Resolution relating to the [illegible] of drink is an important one and it was passed in the Assembly. The Government have not given any value to the opinion of the public and prohibited the [illegible]. Government is more partial about the income they are getting from it. In the support of the [illegible] pointed in the recent budget, it is stated that they have realised an income of Rs. 10 crores from drinks and they have spent about Rs. 60 lakhs only for [illegible]

regarding the prohibition of drinking, by way of amending a Temperance
Resolution. "ಬಡ ಜನರು ಉಪ್ಪಿನಕಾಯಿ ಮೂಸಲು ಬಿಟ್ಟಿದ್ದೀರಿ. ಹಳ್ಳಿಕೆ
ಮದ್ದು ಕುಡಿಯಲು ಬಿಟ್ಟಿದ್ದೀರಿ. ಈ ಕ್ರಮವು ನಾವು ಕೆಟ್ಟು ದಿನಗಳನ್ನು ನೋಡಬೇಕಾಗಿದೆ"

Your Excellency the Hon'ble the President

Referring more pointedly to the introduction of prohibitory policy into
the purview of the Assembly he said, "Sir, there are some people
who are ignorant of the conditions in India. But the Ministers
are neglecting the money of India by imposing a salary of Rs. 4000/-
per month to a Governor, to which a contribution should not be
more than Rs. 2000/- and the members should not be more than Rs. 500/-.
But the people have not given any opportunity by the Legislature in
the Assembly. Hence, Resolutions should be come by the Legislature
in the Assembly for the interest of the public. But Resolutions have
not been brought into light so far. In the matter connection of this world,
people's opinions of the people are important. ಮೇರೆ ಭಾಷಣದಲ್ಲಿ

There are many principles in our country. The Governments of other
governments are those people of our country, who they are like Governors of
England. But still, those people who have got the majority of members
in the Legislature have appointed ministers, and those opinions of
the people do not agree. Now I explain the things that
happened in Bangalore. The Ministers are the prime Minister here.
They brought a resolution in the Assembly and there was a
motion for the same. The Government was defeated. The Ministers
Governor removed the ministry from the office and the ground upon they
had the support of the people. This the Governor has acted according to
the wishes of the people. Our Viceroy who is under the
Supreme Government, that is the Secretary of State for India
has given power and the rule. "ನಿಮ್ಮ ಇಂಡಿಯಾ ಕೋಲ್ಕತ್ತಾ ಮತ್ತು ಮದರಾಸ್ ಕೇರಾಫ್ ಭಾರತ

ಪುನಾ ಭರ್ತಿ ಮಾಡಿಸಬೇಕಾಗಿದೆ"
Government brought 38 bills and 8 bills were withdrawn, in which case all
and the political Reform Act to establish a separate Government. I made
a statement in the House stating that the Government has the support of
the people and requested His Excellency the Governor to take the
resignations of the Ministers and establish a Government according to
responsible people. My feelings there was an objection by having

published it was under consideration as to the manner in which they should be treated. On the one side there was the Home Government, [illegible] On the other side there was the Congress, demanding that the people should be released. The Viceroy wanted [illegible] and the Government was divided. They were detained in a manner in which they could do the Congress the greatest harm. The Viceroy wanted [illegible] and the Government would not agree. If they released them they would have lost their offices. [illegible] they were kept and therefore were more particular about their [illegible] they were released. When this happened the people [illegible] to show their sympathy with the people. Besides many members of Government could do for the benefit of the people. Besides many members of Government had been imprisoned in England, they were in the same predicament as we are now. Therefore, when it was under the rule of the English, was in a backward condition, but when they obtained independence, Government would [illegible] to collect their revenue, they withdrew from England. At present in the case of Burma also, if you boycott the political policy of the country, only people who enjoy the support of the people are appointed as ministers. Burmese enjoyed home rule credit, no doubt, caused the credit to the Ministers [illegible] High Court people are defamed, because they had no support of the people. ದಿವಾನರು ಹಿಂದಿರುಗಿ ಬರುವುದಾಗಿ ಅವರು ಕಳುಹಿಸಿದ್ದ ಚಿಠ್ಠಿಯನ್ನು ಓದಿದರು. The Dewan had left that day for Bangalore and had read the address. After reading the letter once or twice he replied that he had business to attend to and that he would be back in a few days. Seeing Rama Rao's disappointed face he said to him "ಕವಪ್ಪಾ ರಾಯರಿಗೂ ಬೆಳ್ಳಿ ತಂಬಿಗೆ ಕೊಡಿಸಬೇಕೆಂದಿದೆ. ಬುದ್ಧಿಯಿಲ್ಲವೆ?" (Rama Rao) stood silent. He thought to himself, "ಎಲ್ಲರು ಅಭಿಮಾನವನ್ನಿಟ್ಟು ರಾಜಕೀಯವಲ್ಲ. ಪಿಚ್ಚಾಗ್ಗುವೈ ಮನ್ನಿಸಿದಾರಾಜಕೀಯ ಕಲ್ಪಿಸಿಯಲ್ಲವೆಯೆ? ನಾವು ಕಿಂಕರಿಸಿ ಉದ್ಧರಿಸಬೇಕಾಗಿದೆ

Where there are "ಗಿಚ್ಚಿ ಬಿದ್ದಿದೆ" there is burning hatred and "ಬೆಳ್ಳಿ ತಂಬಿ". In ancient days the Maharajahs of Mysore used to present silver tumblers to the people who were in their favour. "ಅವರು ಕೋಣಿಸಿರುವ ಸರ್ಕಾರಿ ಹುದ್ದೆಗಳನ್ನು ನೋಡಿ" He thought, "Look at the posts which they have created for their own men and how they are trying to help the poor. But what we can do is help the others. Instead of the evil minded people who are in power, we should help the good people. Why if we take a little trouble the people who are ready to come forward in this hour of need and struggle there is nothing to be afraid of. Why should we be in a hurry and why should we not be patient? Why should we be in a hurry to go to Delhi and then to come to the ground of everything that is true, it will be one in a million." "ಮದಿಸಿನಸ್ಪೈರ್ಯನಾಗಿ ಕೊಳ್ಳಲೆ ಬಂದಿಲ್ಲ" She said to herself with confidence. "We are all in the same plane. We have to live or die together. Instead of trying a solution that will not be satisfactory to our hearts by saying "Maharaja da, Rama Rao da" Independence is a problem for all these evils. All our efforts will be made futile if there is not pure patriotism after all Nothing can be "ಸಿಚ್ಚಿಸಿ ಸಾಧಿಸಿ, ಎಂಬ ಆಶಾಭಾವ. Until this Independence comes it may mean, we cannot dream of independence. We must take the pledge of Independence starting in this High endeavour. Though before you leave this place

The resolution was passed unanimously.

(3) This meeting urges the Government to release the undertrial persons in Kasur and Bangalore Conspiracy Cases who are still undergoing imprisonment.

The resolution was passed unanimously.

Mr. Bheemsen Rudrappa spoke in Kannada to the following effect:

The aim of Mysore Congress is responsible Government under the aegis of H.H. the Maharaja of Mysore. As Mr. Hanumanthaiah said H.H. the Maharaja of Mysore, when he addressed the joint session of the Legislature has said that it is also his desire to establish responsible Government in Mysore. Constitutionally, there is no difference of opinion in that also. ಮೈಸೂರು ಮಹಾರಾಜರವರಿಂದ ಸ್ವತಂತ್ರ ಸರಕಾರ ಬರಬೇಕು ಅಂತ ಅವರು ಅಭಿಪ್ರಾಯಪಟ್ಟಿದ್ದಾರೆ ಅಂತ ಹೇಳಿದ್ದಾರೆ. Kumari Rajamaraja Odeyar has said that there is much room for misunderstanding. I hope that the late Congress had kept a position clear before the public that we would not resign by the suggestions of the ministers, if we have not been able to achieve our goal, we will place the responsibility on His Highness the Maharaja from one point of view. But another point of view, it is a mistake to place the responsibility on him. "You must strengthen your organisation to such an extent as to make it impossible for the Government to run the administration," said Mahatma Gandhi. If we organise our strength, we will get responsible Government soon though we cannot say we do not want it. Hence, I request you all to get united.

Mr. B.G. Rudrappa proposed a vote of thanks and the meeting terminated with the singing of Vande Mataram at about 9.45 P.M. The gathering consisted of about 150 persons, prominent among them being M/s. A. Venkatesha Rao, Ramaiya Iyengar, Gopala Rao, and other A.I.C.C. and P.C. members on special invitation. Many delegates attended and students attended the meeting.

The speech of Mr. Hanumanthaiah, was impressive and appealing.

ಜೈನ ಮಂದಿರಗಳು ಮೂಡಿಬಿಡಿಸಿಕೊಂಡಿವೆ. ಪ್ರಜಾಪ್ರಭುತ್ವ ವ್ಯವಸ್ಥೆ ವಿಕಾಸವಾಗಲೆಂದೇ ಬಂಗಾರದ ಪ್ರೊಸೆಡಿಂಗ್ಸ್ ಪುಸ್ತಕವನ್ನು ನೋಡಿಸುವುದು ಧರ್ಮ! ಆದರೆ ಇಷ್ಟೊಂದಾಗಿಲ್ಲ. ಇದಕ್ಕೆಲ್ಲಾ ನಾವು ಕಳಿಸಿಕೊಂಡರೆ ವಿನಃ ಅಲ್ಲ. ಯುದ್ಧದಲ್ಲಿ ಜಯಗಳಿಸಿ ಇಪ್ಪತ್ತೊಂದು ಪೌಂಡು ಸಿದ ಚರ್ಚಿಲ್ // ಒಬ್ಬನಿಗೆ ಜಯ ಮಾಲೆಯೇ ಅನ್ನಕ್ಕೆ ಇತರರಿಗೆ ಜಯಮಾಲೆಯಾಗಲಿಲ್ಲ. ಲೋಕಸಂಖ್ಯೆಯ ಪುಟ್ಟ ಭಾಗದಿಂದ ಅಲ್ಪಸಂಖ್ಯಾತರಾಗಿ ಬಳಲುತ್ತಿರುವ ಜೈನರು ಇಂದು ಮುಖ್ಯ ಮಂತ್ರಿಗಳಾಗಿಬಿಟ್ಟಿಲ್ಲ ನಾವು ಸಣ್ಣ ಇಲ್ಲ ಅಂತ ಕಡಿಮೆ ಇಂದು ಜೈನರಿಗೆ ಆಗಿರುವ ನಷ್ಟವನ್ನು ಸರಿಪಡಿಸಿಕೊಡಬೇಕೆಂದೇನಿಲ್ಲ. ರೈಲಿಗೂ, ವಿಮಾನಕ್ಕೂ ಇಂಟರ್ವ್ಯೂ ಮಾಡುವುದಿಲ್ಲ. ಯಾರು ಹೆಚ್ಚಿಗೆ ಪ್ರಯತ್ನ ಮಾಡುತ್ತಾರೋ ಅವರನ್ನು ನಿಲ್ದಾಣಕ್ಕೆ ಕರೆದುಕೊಂಡು ಹೋಗಲು ಅನ್ನುತ್ತಾರೆ. ಹಾಗೆಯೇ ಪ್ರಯತ್ನವನ್ನು ಬಿಟ್ಟವರಿಗೆ ಸಾಮಾನ್ಯ ಮೇರವಣಿಗೆ ನಡೆಯುವುದಿಲ್ಲ. ಇದಕ್ಕೆ ಪಾಠಾಂದವರು ಶಡೆದದ್ದನ್ನೆ ಬಿಜೆಪಿಗೆ ಅಧಿಕಾರ ಪೀಠವನ್ನು ಚಾದುದಲ್ಲಿ ಪ್ರೊಫೆಸರ್ ಬಿಟ್ಟಿಲ್ಲ. ಇದಕ್ಕೆಲ್ಲಾ ಜನರ ದೃಷ್ಟಿಭಿದ್ರತೆಗೆ ಮೊದಲು ಒರಡುಲೆಕ್ಕ ಮಾಡಿಸಿಕೊಳ್ಳಬೇಕು. ಸಹಕಾರದ ಮುಖ್ಯ ನಿರ್ಣಯದಿಂದ ಪ್ರೊಫೆಸರ್ ಯಾಂದು ಸಾಲ್ಗೆನವನ್ನು ಪ್ರೊಫೆಸರ್ ಮಾಡಿಸಿಕೊಂಡರು. ಆದಷ್ಟು ಜಿಲ್ಲಾ ಕೇಂದ್ರಗಳಲ್ಲಿ ಪ್ರೊಫೆಸರ್ ಅಲ್ಲಿಗೆ ಜಿಲ್ಲೆಯ ಮುಖಂಡರನ್ನು ಕರೆದು ಅವರಿಂದು ಪಿರಿಕೆಗಳಿಗೆ ನಾವು ಮುಕ್ತಾಯವಾಗುವ ನಿರ್ಣಯವನ್ನು ಕಾಗದ ಸಹಿಗೆ ಕರಡು ಪಿಂದು ಇಂಥ ಸಹಿಗಳನ್ನು ಪಡೆದು ಅಧಿಕೃತವಾಗಿ ಪತ್ರಿಕೆಗಳಿಗೆ ಪ್ರೊಫೆಸರ್ ಮಾಡುತ್ತಿದ್ದೇವೆ. ಮಧ್ಯಾಹ್ನ ನಡೆದ ಸಭೆಯಲ್ಲಿ ಅನೇಕರು ಇಂದು ನೀವೆಲ್ಲಾ ಮೊದಲು ಮೇಲುಮೇಲಾಗಿ ನಾವು ತುಂಬಾ ಪ್ರಶ್ನೆಗಳಾಗಿದ್ದೇವೆ. ಇದು ನಮಗೆ ಪ್ರೊಫೆಸರ್ ಇಂದು ಅಂತ ಮಾತ್ರ. ಕೊಂಚ ಹಿಂದಿಗೆ ಹೋದರೆ ಯುವುದನ್ನು ಬಾಧಿಸಿದ ಪಾಠವಿಲ್ಲ. ದಿಮೋಲಾ ಮೊದಲಾದ Untouchables ಗಳ Rebellion ಇಂದು. ಇಲ್ಲಿಯಂತು ಮನಸ್ಸುಮಾಡಿದ್ದರೆ ಅಂದಿನ್ನು ಅಕಾಡಿಮಿಯಾಗಿಬಿಡಬಹುದಾಗಿತ್ತು. ಅದು ಸಾಧ್ಯವಿಲ್ಲ. ವಿಶೇಷವಾಗಿ ಅವರಲ್ಲಿರುವ ಒಗ್ಗಟ್ಟು ಬೇಡುತ್ತೆ. ನಾವು ಜೈನರು ನಡೆಸುವವರು ಇಂದು ತೀರ್ಮಾನಿಸಿಕೊಂಡೆವು. ನಾವು ಇಂದು ಬೆಂಬಲ ಕೊಡಬೇಕಾದರೆ ಮುಂದೆ ಬೇಡವೆಂದರೆ ಮುಗಿದ ಹೋಯಿತು. ಪಾಠಾಂದರಿಗೆ ಅನುಕೂಲವಾಗಿರುವ ಪಾಠಾಂದನ್ನು ಕೊಡಬೇಕು. ಯಾವುದನ್ನು ಕೊಡಬೇಕು, ಯಾವುದನ್ನು ಕೊಡಬಾರದು ಎಂಬುದನ್ನು ಸಮಿತಿಯವರು ನಿರ್ಧರಿಸಿದರು. ಸಂಸ್ಥೆಗಳಿಗೆ ಕೊಡುವ ಹಣವನ್ನು ಸಮಿತಿಯವರು ಹಂಚಿಕೆ ಮಾಡಿದರು. ಕೊಂಚ ಹಣವನ್ನು ಸಮಿತಿಯವರು ಹಂಚಿಕೆ ಮಾಡಿದರು. ಕಾವು ಸ್ವಲ್ಪ ಚುರುಕಾಗಿರುವುದನ್ನು ತಿಳಿದು ಅಭಿಪ್ರಾಯ ಕೊಂಡರೆ ಮುಖ್ಯಮಂತ್ರಿಗಳಿಗೆ ಪಂಚೋಪಚಾರವಾಗುತ್ತದೆ. ಇಂದು ಕಾವು ಹುಟ್ಟಿಸಿ ಇಂದು ನಮ್ಮೆಲ್ಲರನ್ನೂ ಪ್ರೊಸೆಡಿಂಗ್ಸ್ ಮಾಡಿ ಅಂತಿಮ ಪ್ರಾಣಾವನ್ನು ಪ್ರಾಣಾಯಾಮ ಸೊಡವಿಕೊಳ್ಳುತ್ತೇವೆ.—

Mr. Thompson Pattanayak, at the outset, spoke to the following effect as follows:

Gentlemen

Many of you might have as to why this meeting has been called for. As you know, Mr. V. Subbiah, had to preside over this meeting. But it was his misfortune that he could not come due to some inconvenience. The responsibility of bringing the guests, friends on the occasion and I have gladly undertaken it. Mr. Subbiah, had asked me also. He suffered much due to some inconvenience. So, I have accepted the responsibility of this meeting. I request you to cooperate with me.

The important object of this meeting is to be good acquainted with the traditions of the your forefathers, which you have made it to be lost sight of by your present degree and fashion they should do the duties. It is difficult to find a religious teacher who knows his responsibilities. Everyone thinks only their own benefit and gain through suggestions. The meeting has been called for to let you know as to what your ancestors used to look your duties have been laid by their wisdom as to what they should be. This is not a religious according to the tradition of Mr. Thompson Pattanayak. He is one of them. He is the leader of the party which has opposed the system in the Brahmanical Society, and of the caste. For the last three years he is working like that. The Lord who has to go to the Christ and take care of things wrong. Then the ordained the Brahmanical Society must have come to me in that an example of perfect Christian to our people by this. Such like wise, he was ordained by God to the other Christians, religious thoughts and knowledge and light in the Brahmanical Society in high learning. Now-a-days majority of the respectable people from the people of the place have come. From this point of view, this is an important step in the progress of

our country. I congratulate Mr. Bajpai on this. Mr. S.K. Patil's name will be added to those of other Ministers who have been elected by the Congress in the recent elections.

Mr. S.K. Patil: On a point of information, Sir. Is it a fact that the Congress has decided to form the Ministry?

Gentlemen,

We have assembled here under peculiar circumstances. Everyone who might wish is a welcome guest for us. It is natural for people who are glad when the independence of the country. This is the people in high spirits. Independence Day, which is a country's festival of independence', also. The first war broke out on the 4th of August, Independence Day, also. On the 4th August, Rabindra Nath told the Bill for the Congress Committee, ' to organise and the British leaders 'quit India'. On the 4th of August, Parliament passed with the Congress leaders. The second world war which started was suspended when it came to an end. If you take into consideration the circumstances of the whole world, you do not have any difficulty in understanding in the light of subsequent happenings and how every activity in thinking of planning then, and, doing things and doing subsequent things as the people and how they are planning schemes for implementing those things. In our country, after 1942, India all people came to realise that the idea of independence, that was a dream, that their property and life and the country the history of independence was a dream. This is the month of August, a month in which such a revolution was started. We have completed six years. But it was not complete. Independence is far off to India. There are those hopes for the Parliament, but it was a thing there Big Lightning. The Indian leaders have said that "we must fight and achieve by the true hands of Parliament". Shri Bajpai that, we have a certain responsibility. If you assure us that you are actually behind us, we will always be prepared to do your service. With this object, we are particularly in the Legislature. What we have to decide is to how far we can place the principles of the people before the Government and then place it before the Constituent and then decisions are arrived in your interest. It is not for our political gain that Congress has come to the Legislature. We believe firmly, and sometimes will be the true foundation of independence. We are going to the Legislature. Many

[illegible] people are to be involved by [illegible] dealing with those 'far' people who are handling the Government and thus we are trying to obtain our rights of liberating from the Government in our country. people have not much rights. [illegible] by Archbishop of Canterbury means that the High Command will work according to the constitution of the British Parliament. Even if it is by taking help himself, it must be appreciated. But India and Pakistan must establish such a Democratic form of Government. The minds and opinions must be accepted in the legislature. The opinions of the people must be valued by the Government. [illegible] representation of the people, ministers and ministers. As per, well known, there were two/three parties. And now there are three. They have to undertake any sort of progressive work. In England, when bombs were dropped and houses were burnt, they promised the Democratic Party. Social Security Laws was prepared immediately in America. They accepted a policy called the "Dignity value on health". They raised the standard of life and improved the financial condition of the people by providing facilities in the form of something does which the India was deprived by the Rule of Congress. They paid crores of dollars. There was only a shortage of war in our country. In order to maintain the value of a rupee has been raised to 12. But instead in our country the value of a rupee has been reduced by four times. This is [illegible] due to the difference in the form of Government. Hand is responsible Government in other countries and there is no single rule here. There is four [illegible] of India Rules in our country. [illegible] India. Rules of India Rules are being approved like the Thakur's Rules. Two members of Defence of India Rules are made. We are 150 people in the Representative Assembly. Out of 150 members, 75 are Muslim League and 75 are Independents. They have given support to the policy of the Congress. As we thought up to give relief to the Solar Salt Miners. The Salt mines have lasted nearly 200 seven of years. For every 100 maunds, 20 to 30 rupees are declared as Bonus. This Act was opposed not only by me but even by others, pointing about 30% that means 75 people voted in

[illegible] might be so. Then, the [illegible] question. If Congress [illegible] responsible to the people, and if such a thing had happened, it would become impossible for Mr. Churchill to pursue his present [illegible] Government's [illegible] policy. Another fact was brought out in [illegible] Debate. As a result of the elections, [illegible] questions of policy were left to the people. But a majority [illegible] Labour Party was brought in the last General Election. The Conservatives and their [illegible] did not like this decision. But they brought the issue in this Legislative Council and got it passed. Just like that, they brought a Legislation for imposing [illegible] on a country. They said that the people [illegible] could be entrusted for [illegible] finding out ways of [illegible] to the producers' [illegible]. There are many [illegible] in our country, who [illegible] both in English and Kannada and [illegible]. In Bangalore and other [illegible], there [illegible] [illegible]. The Congress [illegible], [illegible] in imposing a tax [illegible] - Anyone [illegible] getting a share of [illegible] purpose. It is not [illegible] to [illegible] who [illegible] more taxes. Like this, so many [illegible] [illegible] [illegible], there [illegible] [illegible], the price [illegible] [illegible]. It has come to the notice of the Government that [illegible] [illegible] have [illegible] it and sold it. The [illegible] of the Assembly [illegible] the [illegible] the [illegible] and [illegible] that the [illegible] is a [illegible] one. The [illegible] [illegible], [illegible] opposed this. [illegible] opposing [illegible] [illegible] [illegible]

Assembly are taken to the Legislative Council, and passed there. It is known to appoint Ministers who cannot have an majority after the elections are over. But it is not so here. Even a question was asked regarding it, they said that it being this Constitution. The Governor, the Governor, and that they have nothing to do with it. This Bill was known in England, while the responsible for forming Ministry and Majority only accepted the elections but not Majority. The Conservative party is a minority Labour Party is the second major party is the Prime Minister. In our Legislature, though the Congress is in a majority, they have no value. We are striving for the establishment of such a form of Government as is existing in England. Some people are of the opinion that the Congressmen have no better qualities except to shout a hullo-out every now and then. Instead of doing anything, about they changed the programme. Unfortunately we have as there is no elected President in the Representative Assembly, we cannot do anything. In fixing the Congress President, had to be taken in the election. Since this Congress was not allowed to be represented in the Representative Assembly, we had to stay without out. We are willing for such questions the other Ministers also so that we may come to know the grievances of the people and decide the Subjects that are to be brought in the Assembly. We are grateful to those who attended the afternoon meeting and gave the valuable suggestions. This is also in the advancement of Independence.

The [illegible] some of their schools after having come to know that we had entered. We did not call them to make out, but they came out of their own accord. They appreciated us for we told them/ nothing about us this change. Hence you had to have come only as our students here. We are glad that they attended the Meeting and have come to the meeting after the close of their schools. The children must maintain discipline. Without discipline, nothing can be achieved. England could have ruled India because they were united. The students must unite to maintain discipline. The Teachers should [illegible]

highest of quality out of their schools, both in literary sphere I thank God all for having come here and given us this encouragement.

Mr. J.B. Kalyar, MLA spoke in Kannada to the following effect:

President and friends,

We are all waiting to hear the speech of Mr. K. Hanumanthaiah, but in this happy occasion, I feel like speaking a few words. It is an use if you simply give votes and we the Assembly members. We have not learnt the value of as a vote. In order to know the troubles and hardships of the Villagers one must go to the villages. There is poverty, illiteracy in the villages. Villagers are all unfortunate They have been ill-used by exploiters. If my friends visit the Backward in parts, they will understand the bite of the mosquitos. If we want to relieve them of their troubles and hardships, we cannot afford to the vote, after having secured votes from you. Mahatma Gandhi has asked people to be prepared for sacrifices. We must be prepared to sacrifice our lives. Some students came out of their schools and approached us. When we advised them to go back to their schools, they thought that it would be a shame to go back to their schools. We persuaded them to attend the classes, consequent on which they went to the schools and attended classes. The students of Bangalore and Mysore, must go ever to those Backward parts and acquaint themselves with the suffering of those parts. Student Congress leaders are going over to Kagal, after the Kagal fight. My appeal to the students of this place is to give your help and support to Abdul Kader. My appeal to the public is this. Mr. Nijalingappa, may be granted to pay in Kalyan Karnataka first. He has said that he would go to every nook and corner of Mysore State. The public must represent to him their sufferings and give encouragement their support. My caution to the Government is that there should not be ill-health and illiteracy. We must urge the Government to give schools to these villages. I appeal to Mr. Hanumanthaiah, to urge these things on the Government to pay more attention towards the difficulties and inconveniences of the Villagers. There are two regrettable things. One is the death of Shankaragouda, student leader. Another one is the Kasser affair. We get tears if we remember the Kasser incident. If we

remember the wonderful promises we made to the people connected with the labour disturbances. We agreed with everybody as reasonable men. We boldly had the courage to oppose such vile things as were done to workmen then. We must tell them as friends and well-wishers of labour, that such people should not be ill-treated under the garb of non-violence. Jayaprakash Narain, immediately after his release, said that if people had not resorted to violence during Emergency, he would have called them as cowards. This big majority, we must be proud of such great leaders and we might remember them. Otherwise, we are not safe. Whatever words did not exist for the threats of Government and boldly resisted it. Government then realised their mistake and began to release leaders one after another on some reason or other. There is scope for the release of all the other leaders. Whatever wrong was invited to state by general strike. I request you not to make false propaganda against the Congress. You shall not waste your time in making wild charges. You must give your support to the Congress organisation.

Mr. K. Ramamurthi, spoke in Kannada, to the following extent.

Brothers,

The President of the day Mr. Basappa Kudalagappa and Deputy Congress Committee President Mr. K.G. Nagaraj, have given encouraging words about me. They have spoken only to encourage me and I pray to God more to maintain and prove that I deserve all the as things. My friend Mr. B.N. Gundu Rao, has explained to you in detail the activities of the Congress party in the Assembly. The Congress people in the Assembly have according to the desire of the people. Since 8 years, I am in the Representative Assembly. Since 8 years, Congress party has brought many resolutions and questions in the interest of the public. Resolution relating to the prohibition of drink is an important one and it was passed in the Assembly. The Government does not give any value to the opinion of the public and pocketed the fee. Government Ladies particular about the income they are getting from it. In the report of the Government published in the recent Gazette, it is stated that they have received an income of 12 crores of rupees from Excise and they have spent about 24 thousand rupees for maintenance

towards the publicity of thinking by way of forming a Responsible Government. [illegible] Legislative Council [illegible] Executive Council [illegible]

Regarding publicity to the Government's proposal Finance Minister was pained in the Assembly [illegible] But that has not been put into practice. Minister Gandhi has said that a salary of Rs. 500/- is enough, considering the conditions in India. But the whole people are supporting the salary of India by drawing a salary of Rs. 6 thousand rupees. It had brought the problem that the minimum salary should not be less than Rs. 50/- and the maximum should not be more than Rs. 500/-. But the resolution was not given any consideration by the Government in the Assembly. They [illegible] whatever is done by the Congress in the Assembly is for the interests of the public. But Government's [illegible] were [illegible]. In the other countries of the world, the opinions of the people are respected. [illegible]

[illegible] There are 14 provinces in our country. The Governors of those provinces are not people of our country, but they are the members of England. And still, those people who have got the majority of votes in the Legislative Council, are appointed as Ministry and thus the opinion of the people is respected. Lord [illegible] rejected the ruling that [illegible] Dr. Ambedkar was the Law Minister then. The Congress brought a resolution in the Assembly and there was a big protest for the same. The Government [illegible] the Congress resigning the ministry [illegible] on the ground that they had no support of the people. Then the Governor has acted according to the wishes of the people. The Maharaja [illegible] who is exercising the [illegible] rights in the Legislature. And nothing has been wrong only the fact. [illegible] Government [illegible] If Bills [illegible] are introduced, in which case it was the political Agent who [illegible] a responsible Government. I [illegible] a statement to the Press stating that this Government [illegible] the people and, recognising Mr. Rajkumar the Maharaja of Rajpipla [illegible] of this Government was established a Government consisting of responsible persons. Mr. Gandhiji [illegible] such an objection for having

published in this matter come into consideration in the Assembly. On the one side there are the Hindu and Muslim [illegible]. On the other side there is the Congress, occupying its place just as ever. The Government accused its policy and the Congress was defeated. They were defeated in a battle in which they said that the Congress are traitors and thus it was clear that the Congress and Hindu and Sikh the Government and the people. If Government had any policy whatever, they would have resigned from their office. Even this it appears they are not doing and there are more grumblers about their policy [illegible] as they are selfish than the well-being of the people. I am not going to give you [illegible] as to what responsible Government could do for the benefit of the people. In the responsible Government [illegible] in England, they come in the same position as we are here. Anyhow when it was under the rule of the English, it was a backward position. But when they established responsible Government and got the power to select their Ministers, they changed much difference. It is not in the case of Indian Army. If we consider the political policy of this country, only people who have the support of the people are appointed as Ministers. Congress Ministers have not resigned, as Indian Ministers did. They are still in the Ministries even. But the Ministry have resigned, because they had no support of the people. Even Subhash Chandra Bose and Dr. Ambedkar they had also the support of the people was made the Prime Minister. [illegible] Even if I resign the Ministry, I cannot rule directly without [illegible] Ministers. [illegible] I am not a Congressman. When I was the President of the Bar Association, during my presidential address I had written that if there is responsible rule in the country, responsible Government should be established during the time of the Englishmen. The Judge who was for me the President to address this point in the address. I discussed with him for two hours and told him that I am not the only person who is co-pleading for responsible Government. But Indians of our country are pleading for the same and have suffered much under them and have gone to

[illegible] for the people of the people, they say that they have got people of their own community. [illegible] with the [illegible] for the [illegible] of [illegible], [illegible] [illegible] [illegible], when we were for [illegible] Indian candidates. [illegible] [illegible] representatives. There no [illegible] in [illegible]. They are prepared to [illegible] your [illegible]. I have [illegible] this M/S. [illegible] Shah [illegible] and [illegible] [illegible], the [illegible] [illegible] [illegible] for the [illegible] [illegible] [illegible]. [illegible] M/S. [illegible] [illegible] and other leaders of India. They spoke [illegible] of [illegible] [illegible] [illegible] during August 1942. They also expressed that the movement did not take place with the good wishes [illegible] [illegible] [illegible] [illegible] [illegible]. It appears that they are [illegible] with the [illegible] [illegible] [illegible] [illegible] [illegible]. [illegible] [illegible] [illegible] [illegible]

Dear Sir,

Further to my D.O. letter of even number dated the 22nd instant, forwarding copies of the proceedings of the public meeting held at Sagar on the 15th instant I enclose herewith, for the information of Government, relevant extracts (both in English and in Kannarese) from the speech of Mr. K. Hanumanthaiah at the above said meeting, and to state as follows:-

The portions underlined in the extracts go to show that the tone of the speech is highly objectionable, as it is an indirect attack on His Highness the Maharaja and can very well be considered as seditious. Ordinarily, I would have moved Government to accord sanction to prosecute him under Section 124-A of the Indian Penal Code. But considering the present situation, I feel that this might be giving unnecessary publicity and sensation and an opportunity for the man to pose himself as a hero or a martyr.

It appears to me however very desirable that he should be prevented from making such speeches in future. I would therefore suggest that Mr. K. Hanumanthaiah may by an order of Government, be prohibited from making any public speeches anywhere in the State for a specified period.

In making this recommendation I must say that I am not aware as to the trend of the speeches of this person in other parts of the State. If this is only a rare occasion on which he had let go himself, it is for Government to consider whether a warning would be sufficient in this case. If this is Government's view, the District Magistrate, Bangalore may be requested to send for this individual and to warn him to refrain from making such objectionable speeches.

I solicit the favour of early instructions of Government in the matter.

Yours sincerely,

(Page 10 - last seven lines) - "When I was the President of the City Municipal Council, Bangalore, His Highness was presented with an Address. In the last para of the address, I had written that if there is progressive rule in the Country, responsible Government should be established during the time of His Highness. The Dewan sent word for me and asked me to delete this para in the address. I discussed with him for two hours and told him that I am not the only person who is aspiring for responsible Government, but lakhs of people of our country are aspiring for the same, and have sacrificed their lives and have gone to Jails." The Dewan said that His Highness will not read the address. Afterwards, I read the same address before His Highness and His Highness replied that it it is also his object. Four years have elapsed since he said it, "(elaps)(Name). Lord Wavell is a Christian. He invited Mahatma Gandhi and Jinnah and requested them to form a constitution of their liking. He took Mahatma Gandhi by special train." (page 11 - 11 lines from above)

Dated 2nd October 1945.

My dear Vedavyasacharya,

With reference to your D.O. letter No.1229/CB dated 1st October 1945 regarding the speech of Mr. K.Hanumanthiah delivered at Sagar on the 15th August 1945, I write to state as follows on the basis of information available in this Office.

(1) As the speech was recorded in English by the District Office Stenographer and in Kannada by the Kannada Shorthand Reporter of the Shimoga Special Branch, the record may be taken as authentic.

(2) The Congress organisation or its agents do not seem to have recorded the speech.

(3) The speech has not appeared in the press.

(4) The Stenographer who recorded the speech in English is a Graduate and has passed the Senior Shorthand examination. He has put in 2½ years of service. The Stenographer who has recorded the speech in Kannada is a Daffedar, has passed Kannada Shorthand with distinction and has put in about 10 years service. The Kannada version of the speech sent to Government contains a verbatim report of what was actually said at the meeting and the original Shorthand report must be available as it is a permanent record.

(5) The audience was a miscellaneous gathering consisting of Congressites, merchants, students and a few District Board members, and was about 300 strong.

(6) The speech had a tendency of disturbing order in view of the standing of the speaker and the

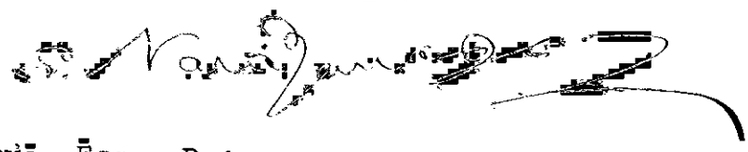
the gathering he addressed. As has been already reported, the speech contains passages which amount to disaffection. A report has, however, been called for from the District Superintendent of Police, Shimoga, on the six points referred to in your D.O., and a copy of his reply will be sent to you on its receipt.

Yours sincerely,



V. Vedavyasacharya, Esq., B.A.,

MYSORE CONGRESS ACTIVITIES.

A wave of dissatisfaction prevails in the Mysore Congress circles at Bangalore, consequent on the recent policy of Government in arresting Mr.K.Hanumanthiah and the issue of "Show Cause" Notices to the Editors of 'Janavani' and 'Viswa-Karnataka', who were ventilating the Congress views regarding the food situation and economic condition in the State. It is particularly felt by them, as it has taken place on the eve of the Representative Assembly Session in Mysore, and the leaders are contemplating to advise the next leader of the R.A.Congress party, probably Mr. P.Sitaramiah, to bring an adjournment motion on the floor of the Assembly on the 10th instant regarding the above matters, and to stage a Walk-out, in case, the adjournment motion were to be disallowed. The Congress President and the Working Committee Members will be leaving to Mysore to-day or to-morrow morning and will have personal contact with the R.A. Congress party members and give them necessary instructions to conduct themselves properly in the Assembly Session and give expression to the policy of Government with regard to above incidents, food problem and other allied matters.

Messrs: A.S. Basappa and T.K. Veerabhadra Gowda arrived from Mysore and Seringapatam respectively yesterday evening and were informed by one Krishnamurthy, a Congress worker, at the City Railway Station about the arrest of Mr.K.Hanumanthiah and his removal by the Police to Bagur. Mr.Krishnamurthy and two other Congress workers were sent by them by the Poona Mail to watch the departure of Mr.Hanumanthiah. Messrs: Basappa and Veerabhadra Gowda were also informed by the correspondent of 'Janavani' about the arrest of Mr.Hanumanthiah and demanded a statement from them. They criticised the policy of Government and promised that they would issue statements shortly.

This morning Messrs: H.C.Basappa, T.K.Veerabhadra Gowda, K.H. Ghaddam and S.Nijalingappa met at the Congress office and dis-

cussed about Mr.Ramamurthi's arrest and decided that a Defence Counsel must be set up to defend him in the Court and to get him released on bail. Messrs: Bhashyam and Nijalingappa criticised the attitude of government as being repressive towards the Congress. They have been emboldened by the tributes paid by Mr.C.Rajagopalachari to the Mysore Congress, and are contemplating to chalk out their future programme of work to mobilise public opinion in the Working Committee meeting and the A.I.C.C. session to throw a challenge to government.

Mr.Veeranna Gowda who presided over the Mandya District Congress workers' meeting held at Kyathanahalli, Seringapatam Taluk on the evening of the 7th instant, explained the proceedings adopted at the meeting upon the information of the Congress President as follows:-

The Mandya District Congress Committee meeting was held at Kyathanahalli on the evening of 7th instant. Messrs: H.K. Veeranna Gowda, A.C.Bandi Gowda, K.H.Kapini Gowda, Mrs. Tayamma Veeranna Gowda and about 20 Congress workers were present. It was discussed that the A.I.C.C. Session which was proposed to be held during August 1942 was cancelled, as the government imposed ban on the A.I.C.C. and other Committees and since the ban is removed, the A.I.C.C. would meet at Kyathanahalli on the 10th and 11th November 1945. The former venue for the A.I.C.C. Session proposed to be held in August 1942 was ~~xxxxxxx~~ Kyathanahalli. It was also discussed whether the A.I.C.C. members alone should be invited, or others could also be invited, and finally it was decided that since the A.I.C.C. did not meet ever since the A.I.C.C. Session held at Chickballapur in 1941, all the workers, especially those who had suffered in the August 1942 disturbances, should be invited and the session conducted on an elaborate scale.

The Reception Committee under the Presidentship of Mr.K.H. Kapini Gowda was formed along with these other Sub-Committees to look after the necessary arrangements, was formed. It was also resolved to organise a Volunteer Corps. The Executive Committee of the Reception Committee and other Sub-Committees formed will meet shortly at Seringapatam.

Mr.S.Nijalingappa is said to have given his approval for the above and stated that he would place the suggestions at the Working Committee meeting to be held in Mysore on the 10th and 11th instant.

Developments are being watched.

Inspector-General of Police in Mysore.

The people of Mysore have been watching with grave concern the coming callousness on the part of the Government towards public opinion and the increasing hostility to popular demonstrations.

It always us to state that while with the close of the War, people all the world over are engaged in establishing peace and tranquility the Government of Mysore are sowing seeds of discontent and dissatisfaction among the people.

The continuance of oppressive laws, denial of the elementary rights of citizenship the suppression of thought of the freedom of speech and association, the orders of internment and internment, the prevention of public meetings in many parts of the State, the continuance of various prohibitory orders and disqualification against prominent citizens the increasing opposition to the Mysore Congress which is the leader party in the Assembly and the Council, the attempt at confining the movements of Sri. N.S. Hooma Reddy, the orders against "Jamavandi", "Prajapathi" and "Vishwakarmaiah" and finally the arrest of the leader of the Assembly Congress Party almost a day after by the meeting of the Assembly are calculated not only to provoke resentment and popular indignation but also to widen the gulf between the Ruler and the people.

It must appear strange and sad to everyone the notice the paradoxical position that exist only in the neighbouring provinces under alien rule even in the Swadeshi area where the army is stationed, people are free to hold public meetings and indulge in processions, here in Mysore under Indian Administration with our own kith and kin in office we are suppressed and oppressed in various ways, prohibited even discussing the elementary rights of freedom of speech and association prevented from carrying on our avocations and kept out of the legislature and interests in a hundred other ways.

It is our considered opinion that those in charge of the administration are utterly unimaginative and incompetent. The people have not the slightest confidence in them.

It is as a mark of protest against the continuance of an irresponsible executive and of its hostility to popular aspirations that we staged a walk out before the commencement of the proceedings.

Sorry.

S.B.No. 84/45-6. Special Report (for 10-10-45).

Submitted to the District Magistrate, Mysore District, Mysore. -

As already reported, the Assembly Congress Party met in the Government Varnikashram's High School at 9.30 a.m. this morning under the leadership of Mr. P. Seetharamiah and decided to make a statement protesting the arrest of Sri K. Kengalhanumaiah and the show cause notices issued to the editors of Jaatveer, Prajamatha and Vivekavardhini, the non-renewal of prohibitory orders and outstanding orders in the State, and if this was not allowed, they decided to stage a Walk Out.

When the Assembly met today at 12 noon, Mr. Palahalli Seetharamiah, the leader of the Congress Party in the Assembly, stood up and said that he wanted to make a statement just before the Hon'ble President got up to address the Members. As this was disallowed by the President, the Congress Party members - about 120 in number - staged a Walk Out from the Assembly Hall. After the address of the President was over, the Congress members re-entered the Assembly Hall and participated in the deliberations.

The statement which was distributed was presented to the President through the Secretary. A copy of the statement is enclosed herein for favour of perusal.

The Working Committee of meeting of the State Congress which was arranged to be held today and tomorrow has been adjourned and it is learnt that the Working Committee will be meeting at Bangalore on the 12th and 14th instant.

CRIMINAL CASE NO.129/45-46.

ORDER

The accused has cited two defence witnesses of whom Pradhana Shiromani N.Madhava Rao, the Dewan of Mysore, is one. Public Prosecutor has opposed the application to examine the Dewan as Defence Witness on the ground that it is made for the purpose of vexation and delay. I have heard arguments on both sides and am of the opinion that the contention of the Public Prosecutor is correct.

In this case, the accused has been charged for the alleged delivering of a prejudicial speech within the meaning of rule 34(6) clause (e) Defence of India Rules. According to that speech, the accused is said to have attacked not only the Government established by law in Mysore, but also His Highness the Maharaja and Pradhana Shiromani N.Madhava Rao, the Dewan and Amatya Shiromani Thamboo Chetty. Counsel Mr.T. Subramanyam was very fair in stating to the Court the points on which he wanted to examine the Dewan as his witness. He wants to elicit from the Dewan that the Mysore Congress is a body recognized by the Government and the relationship between the Congress and the Government. He also wants to show by the evidence of the witness that the creed of the Congress is establishment of Responsible Government in Mysore under the aegis of H.H.the Maharaja. Finally, he wants to ask the Dewan certain matters which are said to have transpired at an interview between the accused and the witness just a couple of days before the former was arrested. The defence counsel argued that it is the Dewan of Mysore who got the accused arrested just before the commencement of the last session of the Representative Assembly in order to prevent him from attending the sittings of the Assembly.

It is an evidence that the accused is the leader of the Congress Party in the Representative Assembly. For the purpose

of this case it is unnecessary to go into the question whether the Congress is a recognized political party or not, nor into the relationship between the Congress and the Government nor is it necessary to prove the creed of the Congress. Even assuming that its creed is the establishment of Responsible Government - under the aegis of H.H. the Maharaja of Mysore that may not affect the merits of this case one way or the other. The accused, according to the prosecution, is said to have attacked the Government and also Pradhana Shiromani N.Madhava Rao personally. It is in fact - openly argued that it is the Dewan who has got this prosecution - launched against the accused. In view of these circumstances the evidence of Dewan cannot in any way be expected to help the accused. Having regard to the nature of the case I think that the accused wants evidently to put some questions to the Dewan in the witness box which may not be pleasant and which may even be annoying. Public Prosecutor has cited a decision reported in A.I.R.1934 Lah.136(1) in support of his argument, I am of opinion for the reasons stated - above that in this case the application to examine the Dewan as a defence witness is made for the purpose of vexation and I, therefore, reject the application under Section 257(1), Code of Criminal Procedure.

the prestige and status of His Highness and also the status and responsibility of His subjects..

In His address to the Joint Session of the Legislatures on 9-6-1941 His Highness the Maharaja stated that he had full belief in the principles of democracy and confidence in the ability of his people. The honour of being a member of that Assembly had been bestowed on me by the citizens of Bangalore. Through the grace of the people of Bangalore I had again, as President of the City Municipality, the privilege of presenting an Address in a silver casket to His Highness on 19-1-42. In His reply to the Address he stated that it was his desire that there should not be much cleavage between the aspirations of his subjects and the established principles of Government and that increasing cordial relationship between the people and the Government ~~should~~ would conduce to the peace and prosperity of the State.

Till today, we do not find even traces of His Highness' desire materialising judged from the trend of events in the State. Not even the glimpse of Responsible Government is to be seen. If persons from Madras Presidency are brought into the State and high positions are given to them on top of Mysoreans, will it mean the recognition of the ability of Mysoreans. The prayer I made that day by means of an Address I am again placing before His Highness to day as a prisoner. The present Ministry consisting of six members is not even aware of the principles of democracy. The successive Government defeats during the R.A. Sessions proves this fact. The last session of the R.A. has proved that the

Free translation

"Responsible Government under the aegis of His Highness the Maharaja of Mysore" was the subject of my speech. My speech was ~~humerous~~ and contained many analogies. The political reforms offered ~~xxxxxxxxxxxxxx~~ by His Highness the Maharaja of Mysore to his people, who are asking for Responsible Government under His aegis, lags behind by 36 years, compared with the political rights and privileges enjoyed by the people of British India who are asking their foreign rulers to "Quit India". Freedom of speech, press, individual and association are likewise held back in the State. Why go far off? The public of Bangalore are denied the privileges enjoyed by the neighbouring residents of Cantonment. It is apparent from this that British rule is better than His Highness' rule. It is therefore felt that to be the subject of a Ruler is a misfortune. His Highness should establish Responsible Government in the State. Any delay in this will only enhance this feeling and any attempt to suppress this feeling will only increase it all the more.

It is my opinion that His Highness should not be subjected to criticisms. If during his regime he entrusts the administration to a Cabinet which enjoys the support of the Legislature, as has been done by the King of England, he will ~~xxxxxxxxxxxxxxxxxx~~ be above criticism. If even then any criticism is made, it will apply only to the Ministers. This is the principle of Responsible Government. This will enhance

the Prime Minister should not be the President of the Representative Assembly. His Highness should dissolve the present Ministry immediately and establish Responsible Government at once.

The Congress Party was solely responsible for the defeat suffered by the Ministry. The Government has started avenging their defeat by arresting me without fear of public opinion and justice.

I had forwarded a resolution for discussion during the last sessions of the R.A., urging the constitution of a Constitutional Reforms Committee, which was rejected by the Dewan. I informed the Dewan in person on 4-10-1945 that his rejection was not constitutional, but the Dewan upheld his decision. Three days later my arrest was carried out by wire, otherwise, I should have attended the R.A. Sessions if a warrant had been served on me in the normal course. The speech was delivered on 15-8-1945. Government sent F.I.R. on 7-10-1945. I was charge-sheeted on 7-10-1945 and arrested on 8-10-1945. The R.A. commenced on 10-10-1945. All these dates and my arrest order through wire expose the intentions of the Government.

At the previous session I had tabled a similar resolution on the same subject and that had been admitted by the Dewan.

Only the courage possessed by the Goddess of Justice can save me from the clutches of this Ministry. I believe that this Court Room is the resistance of that courage.

Copy of letter No.nil dated 7-11-45 from the District Superintendent of Police, Shimoga, to the Deputy Commissioner, Shimoga, and copy submitted to the Dy.Inspector-General of Police,Special Branch, Bangalore.

I have the honour to state that the case against Mr.K.Hanumanthiah, which had been posted to 7-11-45 for defence evidence was taken up to-day by the Special First-Class Magistrate, Sagar. Mr.T.Subramanyam Ex-President, Mysore State Congress, who proceeded to Sagar last night, advanced arguments on behalf of the accused for examining Pradhana Shiromani N.Madhava Rao, as a defence witness, the grounds of his arguments being as follows:-

1. To prove that Congress is a legalised body;

2. To prove the relationship of the Congress with the Government;

3. To prove certain facts that transpired between the accused and the Dewan on the 3rd and 4th of last month.

4. To prove the motive for this prosecution; Dewan being in charge of political portfolio, it is necessary to elicit through him the relationship of the Congress with the Government and the interviews that have taken place with the Dewan and the President of Mysore Congress in connection with the establishment of Responsible Government in the State, as has been spoken to by the accused on 15-8-45 in his speech.

Mr.T.Subramanyam further argued that the accused and the Dewan are the only two competent witnesses who can speak to what transpired between him and the Dewan and that the accused cannot be examined being in custody.

The Magistrate passed orders rejecting the
